PAF IAST Student

## ABOUT ME

I am a passionate front-end developer with expertise in HTML, CSS, and JavaScript. I also have experience in C++ programming and video editing using Premiere Pro and Filmora. With a strong background in WordPress and website development, I have successfully launched a website. Currently pursuing a Bachelor's degree in Artificial Intelligence at PAF IAST University, I am motivated, detail-oriented, and continuously seek opportunities to enhance my skills in order to create visually appealing and user-friendly websites.
